

Decisions of the Management Team, January 2009

Decisions of the 92nd Management Team 04-2009 (19 January 2009) – ESE 23247

- 04.2009. 01
(Education) With a word of thanks to the Programme Director, the interim evaluation of the ‘Jaarplansysteem’ was approved and the recommendations in the report were adopted. The report was sent to the School Council, to be discussed on February 4, 2009. The report was also sent to the attention of the programme committees, the department directors and the head of the Education Service Centre (ESC).
- 04.2009. 02
(Education) The Management Team approved the description of the educational track for the Master specialisation in Accounting, Auditing & Control within the MSc Economics & Business offered by the ESE to students with a BSc in Business Economics, Special Accountancy, from the Anton de Kom University in Surinam (AdeKUS), as formulated by the work group for Cooperation between AdeKUS and ESE. The total programme includes a transition year and a master specialisation. It concerns a programme for a double degree from AdeKUS-ESE.
