Decisions of the Management Team, March 2010

Decisions of the 118th MT – 8 March 2010 – ESE 24971

MT 118-1   The custom started last year of giving ESE master graduates a gift, shall be continued: until
(Education)   further notice, they will receive an ESE Globe upon receiving their MSc degree.

Decisions of the 119th MT – 22 March 2010 – ESE 25048

MT 119-1   The text of the 2009 annual report was approved after several amendments were made. The
(Strategy)   Administration Office was asked to be responsible for editing and printing 500 copies.

Decisions of the 120th MT – 29 March 2010 – ESE 25058

MT 120-1   1. The MT agrees to the financing of proposals **A1, A2**, **A4,** and **A5** and has asked the
(Research)   applicants to submit a complete proposal.
             2. The MT has taken note of the MPhil proposals **A3** and **A6**.
             3. With regard to proposals **B1, B2,** and **B3**, the MT will accept the advice of the
                Research Advisory Board (VCW) and shall agree with the financing of these proposals
                if the applicants meet the conditions advised by the VCW. The applicants are asked to
                select candidates from the Mphil programme of the Tinbergen Institute and ERIM.
             4. The applicants of proposal **B4** are asked to resubmit their applications in the
                application round in October.
             5. In view of the positive advice of the VCW about proposals **D1** and **D2,** the MT has
                advised Professor Ph.H.B.F. Franses, who was delegated by the Doctorate Board`, to
                sign *Form 1* if all the other conditions are met.

             Definition of the codes and description of the submitted applications:
             A: applications with a candidate
             B: applications without a candidate
             C: applications with MPhil candidates
             D: applications with external doctoral candidates
